## HH WARRANTY

- HH will warrant all Uniform products against manufacturer's defects.
- The HH warranty does not cover damage caused by misuse, improper care, normal wear and tear and the natural breakdown of materials over time. Ripped, torn, cut, burned, stained or abused products will not be covered under the HH warranty.
- HH also limits the warranty on stretch fabrics to 2 years for abrasion. Due to the current Global limitations on access to Perfluorinated compound (PFC) Durable Water Resistant (DWR) coatings, HH cannot warrant surface water saturation without the regular and documented in-season and post season, technical washing and re-application of DWR by reputable brands such as Nikwax.
- All warranty claims will be subject to HH approval.
